

ICTS SOCIB Glider Fleet Access Protocol

ANNEX B

January 2024

ANNEX B: Composition of the External Access Committee

June 2023

The External Access Committee is composed of internationally renowned experts in ocean observation platforms and glider operations. The members of this committee are:

- **Carlos Barrera**, Canary Islands Oceanic Platform, PLOCAN, Spain
- **Lucas Merckelbach**, Helmholtz-Zentrum Geesthacht – Centre for Materials and Coastal Research GmbH, Germany
- **Dr. Simón Ruiz**, Mediterranean Institute for Advanced Studies, IMEDEA (CSIC-UIB), Spain

Being part of the External Access Committee does not prevent its members from submitting proposals under the Competitive Open Access modality, provided that prior notification is made to avoid conflicts of interest and ensure impartiality in the evaluation of proposals. In such cases, SOCIB will rely on a list of substitutes.

*We research the sea;
we share the future*

 **SOCIB** Balearic Islands
Coastal Observing
and Forecasting System
